EXAMINER'S AMENDMENT

The Specification has been amended as follows:

On page 6 line 10 please insert :

--FIG. 27 is a side view of an alternative embodiment of the present invention;

FIG. 28 is a side view of another alternative embodiment of the present invention;

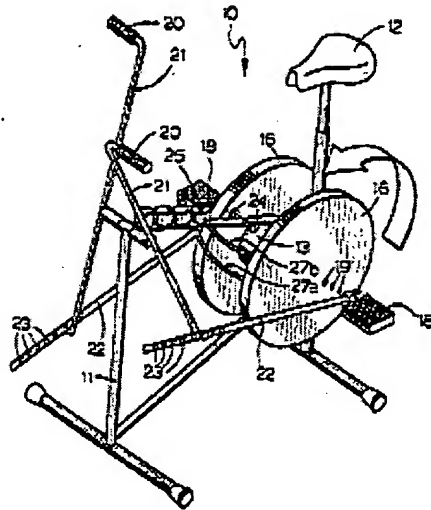

FIG. 29 is a perspective view of yet another embodiment of the present invention; and

FIG. 30 is a top view of a portion of the embodiment shown in FIG. 29. --.

1.

2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or teach applicant's claimed exercise apparatus comprising a frame; left and right first members movably connected to the frame for movement in a first direction; left and right second members movably connected to the first members for movement in a second generally perpendicular direction; left and right foot supports on the second members; and locking means for selectively locking the first members to the frame and the second members relative to the first members for constraining the paths of the foot supports.

3. The Cones first members 21 don't move perpendicular with respect to the second members 22.

4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
